

GKCOA meeting #4 9/8/2019 Lee's Summit High School 4:30pm

GKCOA flipping coins still available for sale for \$10

Pink whistles for \$10

Net Gain book for \$8

Why are we having our last meeting the first week of the season?

- technology has been a game-changer, as far as getting information to the masses, as well as getting questions answered
- the debriefs are helping to alleviate the need for face-to-face meetings to clarify rules

Situations:

- Lee's Summit High fieldhouse court has illegal markings for attack lines; must have a solid attack line; take a picture, email it to Davine at MSHSAA, CC: Dixie Wescott and Don Sleet; play the match!
- Coach was told her girls could not stand behind bench to stretch; bench players need to stay seated except for situation stated in Rule 12-2-7c; bench personnel must be seated at all times, except to cheer

Concussion video

- also available on MSHSAA website; links will be on Ken's GKCOA volleyball page
- according to the video, most of the responsibility is on the part of the school
- once a player has been removed for a suspected concussion, she is not allowed to be put back in the contest until she has been cleared by a health care professional
- according to rule 10-3-5, the R1 has the prerogative to take the player out if they are confident the player has been concussed, IF the coach has not taken the initiative
- officials DO NOT evaluate the player; if you overhear slurred speech, observe other symptoms, you may suggest to the coach
- play is stopped, official indicates to coach, R2 times injury time-out
- needs to be noted in the scorebook, go ahead and fill out a Special Report to MSHSAA
